### MINUTES

Trustee Castro enjoyed helping during the past Happy Holidays program. She really liked the fact that her son received a letter back from Santa. Chair Ayala enjoyed reading to children during the same program and mentioned that one of the attendees told her that she had a captivating voice and returned to listen to another story. A girl asked if she could pick a book of her choice, so she did. Some other parents asked for readings of books in Spanish. Trustee Pacheco also enjoyed helping and is grateful that free program opportunities are available to the community.

#### **CONSENT ITEMS:**

1. Approval of Minutes for Special Meeting on December 2, 2025. On motion by Trustee Castro and seconded by Chair Ayala the minutes were approved as delivered.

#### **DISCUSSION AND POTENTIAL ACTION ITEMS:**

2. California Library Association's Lunch @ the Library Partner Project – Ms. Legaspi applied for additional funding to continue providing books and art activities for children. The prices of books went up, and general fund money was used to cover the additional expenses. The additional expense amounted to \$323.38. This program started today and will run until the first week in May. Up to 25 children will be able to receive a book during lunch at the library program.
3. NEW Program – Kids Book Club – This program has been in Ms. Legaspi's Wishlist for many years now. It is an opportunity for the library to engage children with books before they go to junior high. Children will be able to share about the book they are currently reading and suggest titles for future meetings. It will be offered on the first and third Friday of the month.
4. NEW Program – Sensory Playtime – This program will be offered once per month and will be led by a volunteer. The program will include a warmup activity, story reading with visuals, an art activity and a movement activity.
5. Every Story Counts – January 26-31, 2026 – the California State Library would like to collect information from the community about why and how they use their public library. A survey will be available for the public to fill out. Survey will be shared in person, via email and through social media.
6. Carnegie Technology Center Closed – January 26-February 2, 2026- Staff member who covers the center requested time off and there is not enough staff to send a replacement without heavily impacting the library. Ms. Legaspi asked the board to approve closing the center those days. The English as a Second Language classes will not be impacted. Staff will go and open and close the center for the class. On motion by Trustee Castro and second by Chair Ayala and voted unanimously, the closure of the center from January 26<sup>th</sup> through February 2<sup>nd</sup> was approved.
7. Calexico READS – Book Clubs – Ms. Legaspi reviewed the various book club opportunities available to the community in addition to the reading challenge programs such as 1K Books before Kindergarten and 500 Books before Junior High.
